Optional Holiday Card Swap

Participate in an optional card swap! Create a holiday card (NO 3D's) using current Stampin' Up products. This swap will not exceed 40, so don't begin working on your swaps until you have received confirmation that you are in.

All swaps must be submitted in advance to Berdina Kubo or the person you registered under by October 15, 2024. You can pick up your swaps at the event.

Here is how it works:

- If you are interested, sign up for the swap on the registration form. You will receive confirmation of your participation.
- Do not stamp or write your name on your project, instead include a Post-it note with your information so people will know who made each swap.
- Place each swap in a clear envelope
- Make sure you count your swaps to check that you have made exactly 40 cards.
- Submit your swaps in a gallon size Ziploc bag with your name on it.
- Drop off completed swaps by October 15, 2024 to Berdina Kubo or the person you registered with.

Kit Only Option

Live far away or can't make it that day?? You can still participate in this event by purchasing our Kit Only Option. You can choose to "pick up" your kit or have your kit shipped to you. The price for this event is \$85 whether you attend in person, pick up your kit or have your kit shipped to you. Keep in mind that we are using stamps at this event so if you can't attend you would have to substitute with your own stamps or make a purchase to complete your projects. If you live in Hawaii and are planning on picking up your kit from someone you registered under, we can stamp the pieces for you.

Holiday Toy Drive (NEW)

We have an opportunity to be a "deer friend" to the Salvation Army by supporting their Breakfast With Santa event. Would you consider bringing a toy to donate?

Here are some guidelines:

Toys should be:

- New toys
- Age appropriate for 0 - 12 years old
- Unwrapped
- Books are a good choice too!

Toys should NOT be:

- Used
- Toys that look like weapons
- Toys with candy or food
- Toys with chemicals (i.e. experimental labs, acid, crystal rock projects, etc)

REGISTRATION DEADLINE IS September 30, 2024

Complete the registration form and submit with payment to your demonstrator. We hope you can join us!
